

## Pater Noster Campus Drive-Thru Procedure

1. Cars should enter the school premises from North Lake Road onto Evershed Street.
2. Once on Evershed Street, cars should proceed to the first gate, which will be open for entry.
3. Upon entering the first gate, drivers have two options:
  - a. They can park their cars in the designated parking area.
  - b. If they wish to use the drive-thru, they should continue driving around to the front of the school hall, following the designated arrows (as per picture below).
4. The drive-thru operation begins at **2.55pm**, so drivers should aim to enter the drive-thru lane by this time.
5. It is important to note that parents should not park and wait in the drive-thru lane. This ensures a smooth flow of traffic.
6. Drive-thru etiquette is as follows:
  - a. Please display **FAMILY NAME** on the sun visor. The school office will print it for you.
  - b. Children **MUST** enter the car from the curb side.
  - c. Bags must go into the car – no boots.
  - d. Parents need to remain in the car. Children will be walked to the car and must be able to buckle themselves in.
7. For the safety and convenience of everyone, it is recommended that parents follow the school signs and exit left onto Evershed Street when leaving the drive-thru area.
8. Additionally, parents are reminded not to double park in the Kiss & Drive zones on Evershed Street. Double parking creates hazards and makes it difficult for traffic to flow.

Following these steps will help ensure an organised and safe drive-thru experience at the school. If you have any further questions, please feel free to ask!
